Attorney

TO: Psychologists Interested in Performing Examinations in Probate Court Matters

FROM: Alison Green, Staff Assistant

RE: Panel of Psychologists Maintained by the Office of the Probate Court Administrator

The Office of the Probate Court Administrator (PCA), which oversees Connecticut's Probate Courts, maintains a list of psychologists who are willing to perform examinations in various probate court matters. By statute, psychological examinations are conducted in: 1) placement matters involving persons with intellectual disability (C.G.S. section 17a-274) and 2) sterilization matters involving persons unable to give informed consent (C.G.S. section 45a-695). The Probate Courts may also appoint psychologists under C.G.S. section 46b-150a(c), which deals with emancipation of minors, and under C.G.S. section 45a-132a, as appropriate, to examine allegedly incapable parties in "any matter before a probate court in which the capacity of a party to the action is at issue."

We hope you will consider applying to be a member of the panel. If you wish to join the panel, please provide the following forms:

- Application for the Admission to the Panel of Psychologists in Probate Court Matters (below)
- Curriculum Vitae
- Copy of Connecticut Psychologist License
- W-9 (See separate item on website under "Documents for Psychologists")
- State of Connecticut Agency Vendor Form (SP-26NB)

Signatures are required on both the W-9 form and the State of Connecticut Agency Vendor Form. The packet of completed forms may be scanned and sent to [AGreen@ctprobate.gov](mailto:AGreen@ctprobate.gov) or sent by regular mail to the address below. A listing of court names and regions appears on the next page.
