

RECEIVED:

- Instructions:**
- 1) A fiduciary of a decedent's estate may use this form to seek a declaration that the estate is insolvent.
 - 2) To be declared insolvent, the expenses of, and claims against, the estate must exceed the value of the probate assets. If assets of the estate do not exceed the expenses of the funeral, estate administration, last sickness, and taxes and claims due the State of Connecticut and the United States, the fiduciary may request that the court allow the fiduciary to settle the insolvent estate with the short form procedure under C.G.S. section 45a-383. This procedure eliminates the additional notice and procedures otherwise required under C.G.S. sections 45a-378 to 45a-380.
 - 3) The petition must be filed with the Probate Court having jurisdiction over the decedent's estate. Unless previously filed, the inventory, PC-440, and return of claims, PC-237, for the estate must be submitted with the petition.
 - 4) Contact the court regarding payment of newspaper notice publication.
 - 5) For more information, see C.G.S. sections 45a-376 to 45a-384.
 - 6) Type or print in ink. Use an additional sheet, or PC-180, if more space is needed.
