- Instructions:**
- 1) This form may be used to settle a decedent's estate using the small estates procedure under C.G.S. section 45a-273. The small estates procedure may be used only if both of the following conditions are met: (a) the decedent had no solely owned real estate and (b) the total value of all of the decedent's personal property does not exceed \$40,000.
 - 2) The small estates procedure is a simplified method of settling an estate that avoids formal probate proceedings. Under the procedure, the decedent's assets may be used to: (a) pay the decedent's funeral expenses and the expenses of administering the estate (these are referred to as expenses), pay claims associated with the decedent's last illness or other claims that the decedent owed at the time of death (these are referred to as claims) or (b) reimburse a person who paid expenses or claims from nonprobate assets. Any assets remaining after payment of expenses and claims are then distributed to the decedent's heirs or beneficiaries.
 - 3) Attach PC-212A, Request for Order of Distribution, if (a) assets exceed expenses and claims or (b) a person who paid expenses or claims with nonprobate assets waives reimbursement.
 - 4) For further information, see C.G.S. section 45a-273 and Probate Court Rules of Procedure, sections 30.12, 30.13 and 30.23.
 - 5) Type or print the form in ink. Use Second Sheet, PC-180, or an additional sheet, if more space is needed. File two copies of the form with the Probate Court where the decedent resided.
