Roger W. Goodnow

Education and Experience

**Education:**

- Graduate Southern Connecticut State College 1981
- Graduate Certification Public Administration from University of New Hampshire 1986
- Additional Mediation Training from Quinnipiac Center on Dispute Resolution 2010

**Professional Affiliations:**

- Associate member Connecticut Bar Association
- Member New England Chapter – Association for Conflict Resolution Sections

**Experience:**

- Probate Judge for the district of Old Saybrook from 1995 through January of 2011. During my years as Judge I was an active member of the Probate Assembly serving as an elected member of the Executive Committee for eight years and as appointed of the planning legislative and Court Ad Hoc Finance Committee
- From 1968 to the fall of 1995 I served in a variety of administrative positions in municipal government, including three terms as First Selectman of Old Saybrook, CT. In addition to my public sector experience I also served as the Administrator of Lymewood Elder/Disabled Housing and as Executive Director of the Shoreline Soup Kitchens "Interfaith Ministry."
- Shoreline Mediation Services, my private mediation practice, specializes in providing dispute resolution services for family and community related issues. Often effective voluntary mediation can provide a private way to settle disputes through a cooperative problem solving process. This process is far less expensive, time consuming and provides greater satisfaction to all parties involved.
