

STATISTICS COMMITTEE

January 26, 2018

Probate Court Administration, West Hartford

Meeting convened at 10:15 am by Judge Andre Dorval, Chair.

Other members in attendance: Judge Philip Wright; Attorney Bonnie Bennet; Attorney Evan Brunetti; Lori Errico, Chief Clerk; Judge McGrath, Secretary

The minutes of the December 8, 2017 meeting were approved unanimously.

The committee continued its review of the points awarded for various court activities and which activities and points should be reported in the annual statistics. The committee has concluded its original review and its second run through. The plan is for Judge Dorval to bring the proposal to the executive committee in March.

There was a discussion concerning how to attribute work in children's courts and any work done in the local districts where the child's case may have been filed. It was decided that a new activity be recognized named "Acceptance of Children's Matter sent to RCPC" and that the local court receive 3 points for intake. All subsequent points for the children's matter are attributable to the children's court.

There was a discussion of whether to keep the ten-point system, which the committee had adopted at the beginning, or whether to expand it so that certain activities, specifically conservatorships, could be awarded more points to reflect the additional "work" involved by the judge and the staff. There was no consensus at the end of the discussion. Therefore the committee voted unanimously to forward its report with this issue unresolved so that other committees and groups might have an opportunity to participate in the discussion.

The committee has concluded its work at this time based upon the charge of the Probate Court Administrator. The committee has attempted to refine the current system to more accurately reflect the activities of the entire court, staff and judges.
